

Faculty Research and Development Results Spin-off Start-ups

R&d Results Spin-Off Start-Up Application Process

Establish a start-up

- Shareholding not limited to 40%
- Must be a member of the board

Technology Licensing Fees (Cash or stocks)

- Turn in 20% to the National Science and Technology Council
- After deducting the amount turned in, the university gets 10%, the department gets 10%, and the invention team gets 80%

Concurrent Academic Feedback

- After the committee's review, those who hold a concurrent position in a start-up may be exempt from taking academic feedback fund for three years at most.

- For the establishment of a start-up, the license fees are over five hundred thousand dollars, and the proposer will receive the Excellence Award for Research and Development. The award would be thirty thousand dollars and one copy of award certificate.
