An aerial, painterly-style illustration of a university campus. In the foreground, a large, ornate gate with two towers and a central archway stands on a paved road. To the left, a large, multi-story brick building with a flat roof is visible. The middle ground is filled with lush green trees and a large, open area that appears to be a sports field or a large courtyard. In the background, more campus buildings are scattered across a hillside, with a range of blue mountains under a cloudy sky in the distance. The overall style is soft and artistic, with visible brushstrokes and a muted color palette.
