  - B. After the application deadline, CTLD shall notify the result after reviewing the applications.
  - C. Review will consider events’ goals, scale, expected attendance, invited attendees, and achievements of previous subsidies in principle. Review standards shall be drafted separately.
- VI. Standard for Subsidy:
  - A. Upon approval, subsidized items shall be categorized based on event type, and actual expenses incurred shall be covered on a reimbursement basis in principle. Standards for the subsidy are as follows:

1.Lecture or symposium: Maximum subsidy is NT\$**4,000**. Eligible expenses for reimbursement include hourly fee for lectures.

C. Submit event records (including event photographs, textual records, and feedbacks and suggestions; relevant forms shall be designed by CTLD separately) to CTLD within two weeks of the conclusion of the event.

D. On the day of the event, CTLD staff may attend the event to observe. Deviations from details stated in the application and discrepancies between event records and the goals stated in the application will serve as important references for any future applications for the subsidy.

VIII. The current Guidelines and all of its subsequent amendments shall be implemented once approved by the CTLD Meeting.
